Why Be A Booster

Your generosity enriches the lives of current and future students at SFC. The Booster Club elevates projects that improve the equipment, experience, and environment at SFC with no impact to the school's finances.

Your gift keeps giving. Your membership contribution gives to St. Francis Catholic School forever – a true investment in the future of Catholic Education. A portion of your annual membership is given to St. Francis Catholic School forever.

You have great influence over how your contribution is spent. The Booster Club empowers donors on how funds are used – a powerful giving tool for donors of all sizes. Large donations are welcomed and greatly appreciated, but a purposeful cap on votes ensures every member matters.

The size of your gift grows every year. Booster Club contributions are added to the Capital Endowment fund, a growing fund managed by *CFAD. Each year, a 4% distribution is taken from the fund to be invested in a capital project at St. Francis. The dollar amount of the distribution – and the impact of your individual gift – will continue to increase with the fund.

Continue the rich legacy of St. Francis Catholic school. Some of our families have been a part of St. Francis Catholic school for generations. Your gift given this year will continue the tradition of steadfast love and support for our Catholic school community.

You receive tax benefits for your donation. All donations are made to St. Francis Catholic School, a 501c3 organization, and managed through the Booster Club. Booster Club members enjoy any tax benefits as allowed by law.
